Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **La Puente Activity Center** in fiscal year 2023.

The entity to receive funding for this project is the **City of La Puente**, located at **15900 E. Main Street, La Puente, CA 91744**.

The funding would be used for construction of a new 2,340 square foot Activity Center building with a 2,400 square foot covered outdoor patio area and an outdoor volleyball/badminton court adjacent to the Community Center building at La Puente Park. The benefits of the project include health and wellness, social interaction, and education. The multigenerational facility will provide fitness and exercise classes for all age groups to help promote healthy living and combat diabetes which is prevalent in the community. The facility would also provide the City with a venue to host job and health fairs, and other informational events to improve the quality of life for La Puente residents.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

  
Grace F. Napolitano  
Member of Congress
